MANUAL TESTING (ASSESSMENT PART 2)

TEST CASES

1. App loads and renders properly
2. Clicking "See All Bots" button returns all bot cards
3. Clicking "Draw" button allows user to see 5 bot cards
4. Clicking "Add to Duel" button chooses users selected cards
5. Player status counters for Wins and Losses update properly
6. Resetting App

BUG REPORT

1. Name: Clicking "See All Bots" button returns all bot cards
   o Description: When clicking the "See All Bots" button nothing displays. Button is not working.
   o Expected Results: at click of "See All Bots" button, all bot cards should display on screen.
   o Actual Results: clicking on "See All Bots" button is not returning anything. Expected functionality is not returned.
   o Steps:
      ▪ Load Duel Duo app on browser.
      ▪ Click on "See All Bots" button.
   o Environment:
      ▪ Windows 10 Home, version 2004
      ▪ OS build 19041.508
      ▪ Chrome version Version 101.0.4951.54 (Official Build) (64-bit)
   o

2. Name: Player status counters for Wins and Losses update properly
   o Description: Player counter for Wins and Losses is not updating properly. The Losses counter adds up all results, even when there is a win.
   o Expected Results: on every game the Player Status on "Wins and Losses" should mark 1 point to the proper result, to count how many time The Player has Won or Lost.
   o Actual Results: Player counter for Wins and Losses is not updating properly. The Losses counter adds up all results, even when there is a win. The Wins counter remains at 0 regardless of players' wins.
   o Steps:
      ▪ Load Duel Duo app on browser.
      ▪ Click on "Draw" button.
      ▪ Select 2 of the bot cards by clicking on each "Add to Duo" button.
      ▪ Click on "Duel!" button to start the Duel.
      ▪ Check out the result of the duel.
      ▪ "Wins and Losses" counters will update results.

- o Environment:
    - Windows 10 Home, version 2004
    - OS build 19041.508
    - Chrome version Version 101.0.4951.54 (Official Build) (64-bit)

3. Name: Resetting App
   - o Description: The App is not resetting the Player Stats when website is reloaded.
   - o Expected Results: The Web app should reset when the website is reloaded, to only show initial buttons: See All Bots, Draw and Player Stat counters showing 0 each.
   - o Actual Results: The Web app does not reset as expected when the website is reloaded. The Player Stat counters keep showing previous games results.
   - o Steps:
       - Load Duel Duo app on browser.
       - Click on "See All Bots" button.
       - Click on "Draw" button.
       - Select 2 of the bot cards by clicking on each "Add to Duo" button.
       - Click on "Duel!" button to start the Duel.
       - Check out the result of the duel.
       - "Wins and Losses" counters will update results.
       - Click "Play Again" button
       - Repeat the above steps as desired.
       - Click on "Reload Page" button.
   - o Environment:
       - Windows 10 Home, version 2004
       - OS build 19041.508
       - Chrome version Version 101.0.4951.54 (Official Build) (64-bit)
